SF-435W compact fabric steamer

* Must be purchased with any Giant Printing Product

Compact and ideal for travel, the Steamfast SF-435W Compact Fabric Steamer quickly and easily steams away wrinkles. Freshen up any Banner, Backdrop or Table Cover in just minutes. Ideal for travel, the Compact Fabric Steamer is easy to pack and simple to use. Save yourself from trying to find an iron when you get to your show or event – just run tap water into the easy-to-fill reservoir and you're ready to go. You can be confident that Steamfast products are built to perform, and are built to last.
